

SECURING OUR FUTURE

Report and Financial Statements for the year ended 31 July 2018

Bringing talent to life...

 Walsall College

Key Management Personnel, Board of Governors and Professional advisers

Key management personnel

Key management personnel are defined as members of the College Executive Team with significant financial responsibility and were represented by the following in 2017/18:

Jatinder Sharma	Principal and CEO; Accounting Officer
Fazal Dad	Deputy Principal – Delivery and Success
James Norris	Assistant Principal – Commercial Development
Peter Merry	Director of Finance (resigned 30 September 2017)
Matthew Brown	Director of Finance & MIS (interim 6 October 2017, appointed 1 July 2018)

Board of Governors

A full list of Governors is given on page 18 of these financial statements. Alison Buick acted as Clerk to the Corporation throughout the period.

Professional advisers

Financial statements and reporting accountants:	KPMG LLP, One Snowhill, Snow Hill Queensway, Birmingham, B4 6GH.
Internal auditor:	RSM UK, St Philips Point, Temple Row, Birmingham, B2 5AF
Funding Assurance Provider:	KPMG LLP, One Snowhill, Snow Hill Queensway, Birmingham, B4 6GH.
Banker:	Barclays Bank plc., PO Box 3333, One Snowhill, Snow Hill Queensway, Birmingham, B3 2WN.
Solicitors:	Pinsent Masons, 3 Colmore Circus Birmingham B4 6BH Enoch Evans LLP, St Paul's Chambers, 6-9 Hatherton Road, Walsall, WS1 1XS Eversheds Sutherland (international) LLP, One Wood Street, London, EC2V 7WS
VAT Advisor:	Davies Mayers Tax Advisors LLP, Pillar House, 113/115 Bath Road, Cheltenham, GL53 7LS

Report of the Governing Body

NATURE, OBJECTIVES AND STRATEGIES

The members present their report and the audited financial statements for the year ended 31 July 2018.

Legal status

The Corporation was established under the Further and Higher Education Act 1992 for the purpose of conducting Walsall College. The College is an exempt charity for the purposes of Part 3 of the Charities Act 2011.

The Corporation was incorporated as Walsall College of Arts and Technology. On 1 October 2001, the Secretary of State granted consent to the Corporation to change the College's name to Walsall College.

On 1 April 2018 the College acquired the assets and ongoing activities of Walsall Adult and Community College from Walsall Metropolitan Borough Council.

Mission

Walsall College's mission statement is as follows:

Walsall College is uniquely and proudly vocational. Our greatest passion is unleashing the potential of individuals, communities and businesses; our greatest legacy is the talent of our students: skilled, professional and enterprising.

Public Benefit

Walsall College is an exempt charity under Part 3 of the Charities Act 2011 and following the machinery of government changes in July 2016 is regulated by the Secretary of State for Education. The members of the Governing Body, who are trustees of the charity, are disclosed on page 18

In setting and reviewing the College's strategic objectives, the Governing Body has had due regard for the Charity Commission's guidance on public benefit and particularly upon its supplementary guidance on the advancement of education. The guidance sets out the requirement that all organisations wishing to be recognised as charities must demonstrate, explicitly, that their aims are for the public benefit.

In delivering its mission, the College provides the following identifiable public benefits through the advancement of education:

- High-quality teaching
- Widening participation and tackling social exclusion
- Excellent employment record for students
- Strong student support systems
- Links with employers, industry and commerce
- Links with Local Enterprise Partnerships

Report of the Governing Body *(continued)*

Whilst the delivery of public benefit is covered throughout this report, specifically the Governing Body is committed to ensuring that the College:

- Inspires students and improves the qualifications, skills and employability of our young students and adult learners alike.
- Provides benefits in other areas of public policy. For example, enhancing health and wellbeing and reducing dependency on public services whilst supporting families and up skilling volunteers.
- Offers more than just qualifications. The College incorporates the concept of “the Walsall Graduate” a measure of each full time student’s all round ability, commitment and readiness to enter the world of work and / or higher levels of education and training,
- Transforms the lives of individuals which in turn contribute to the development of cohesive and resilient communities.
- Supports the region’s need to up-skill its adult population and address issues of social deprivation, poverty and economic inactivity.
- Adds value to the activities of companies, communities and trade unions.
- Introduces initiatives such as the business incubation offer within the Business and Sports Hub to support the reversal of the business failure rate within Walsall and surrounding areas.
- Contributes to the overall wellbeing of staff, students and the communities that the College serves by offering opportunities such as access to sports facilities beyond just the traditional curriculum.

How we measure the benefit, we provide

The College measures the impact of our work in a number of ways, primarily using data, measured against Key performance indicators (KPI’s) and against our Service Area Self-Assessment Report (SAR) recommendations. The College critically measures itself against the criteria laid out by Ofsted with the ambition of maintaining outstanding status, demonstrating the commitment to our students, staff, and wider community.

Destination data is used as an indicator of our success against our objectives to support our students into employment and / or higher levels of training. Our latest information for 2016/17 achievers shows a positive destination for 87.5% of our students.

Report of the Governing Body *(continued)*

Implementation of strategic plan

The College adopted a Strategic Plan for the period 2017 through 2020. The College's continuing strategic objectives are to:

- Ambition 1: Outstanding Provision and Services
- Ambition 2: Maximise Staff Potential and Performance
- Ambition 3: Innovate and Transform
- Ambition 4: Energise our Communities and Partners
- Ambition 5: Secure and Transform our Future

The College's specific objectives for 2017/18 as defined by the Major Project Plan included:

- Excellent Careers Education Initial Advice & guidance
- Further support the mental wellbeing of staff as outlined in the Mindful Employer Charter
- Acquire and integrate the ongoing operations of Walsall Adult and Community College
- West Midlands Combined Authority
 - Work with and meet the needs of emerging devolution and combined authority agenda.
- Good financial health, generating operating surplus to reinvest in facilities for the benefit of students and the communities we serve
- Implementation of student work placements in preparation for the introduction of T-Level qualification reforms.

Management are pleased with the performance against all of these objectives, which predominantly carry forwards into the 2018/19 academic year.

The College is one of the early adopters of the new T-Level qualification so the College is developing its approach and readying itself for delivery of these from September 2020.

The College is located within the West Midlands Combined Authority which is in the process of receiving devolved authority from government. Notably the devolution of the region's Adult Education Budget. The College is working to ensure alignment of our post 19 curriculum with the developing initiatives of the Combined Authority.

Financial objectives

The College's financial objectives are to remain financially sound and improve financial returns in terms of reserves and liquidity so as to protect itself from unforeseen adverse changes in enrolments and generate sufficient income to enable continued improvements to its accommodation, equipment and the resources made available to learners.

A series of performance indicators have been agreed to monitor the successful implementation of the policies.

Report of the Governing Body *(continued)*

Performance indicators

The College's performance is appraised against its strategic ambitions through a series of key performance indicators, giving a clear line of sight from the Board of Governors through to operational level. Each of these were reviewed in turn and rated. The key elements were as follows

Outstanding Provision and Services

- The College achieved record vocational success rates, which has resulted in the overall success rate improving to 89%.
- Apprenticeship provision timely success rates have improved to 71%
- The College has self-assessed as **Outstanding**, maintaining the standard achieved in February 2013 when Ofsted last inspected the College.

Maximise Staff Potential and Performance

- Learning Walk – Post Action Review Completion 70%, a pleasing result in the first year of a new observation system for staff with a target in 2018/19 of above 90%.
- Average sickness days lost per person were 6.49 days in line with the previous year

Innovate and Transform

- The College successfully applied to become a T-Level early adopter and is now preparing to deliver the new qualifications from September 2020.

Energise our Communities and Partners

- In 2017/18 the College engaged with 1,723 community learners with 43% progressing onto Adult Education Budget (AEB) funded programmes.
- 77% of the College's learner recruitment was from disadvantaged postcodes

Secure our Future

- It is expected that the College's financial health as appraised by the Education Skills Funding Agency will be confirmed as 'Good' for 2017/18.
- The College has exceeded the budgeted surplus for the year, generating **£1,182,000** positive operating cash, the College's cash and cash equivalents were **£7,364,000** at 31 July.

Report of the Governing Body *(continued)*

Financial Position

Financial results

The College made a deficit before other gains and losses in the year of £3,425,000 (2016/17- deficit of £674,000) with total comprehensive income of £4,313,000 , (2016/17- £2,227,000).

There is an actuarial gain of in respect of Pension Schemes of £4,815,000 (2016/17 – £2,901,000),

The College has accumulated reserves of £40,891,000 and cash and short term investment balances of £7,364,000. The College wishes to continue to accumulate reserves and cash balances in order to maintain working capital and to facilitate future re-investment.

Tangible fixed asset additions during the year amounted to £3,007,000 . This included land and buildings acquired of £2,237,000 and equipment purchased of £770,000.

The College has significant reliance on the education sector funding bodies for its principal funding source, largely from recurrent grants. In 2017/18 the FE funding bodies provided 80% of the College's total income.

The College has the following subsidiary company:

Name	Nature of business	Surplus generated
Broadway Training Limited	Training Provider	This company was non trading throughout the year ended 31 July 2018

Walsall College Students' Trust Limited is independent and therefore the results are not consolidated with those of the College. Walsall College has no direct control. The Trust's objectives include:

- Advance the education principally, but not necessarily exclusively, of past, present and potential students of Walsall College and the community resident within Walsall.
- Commit to meeting the educational needs and aspirations of Walsall College and the community of Walsall.
- Support equality of access and opportunity.
- Organise social and cultural events and other activities for the benefit of students at Walsall College.
- Provide assistance by way of donation, scholarship, awards or bursaries to students and potential students from underprivileged backgrounds or those who may be financially excluded from the benefit of an education at Walsall College.

Walsall College Students Trust did not trade during 2017/18 and is not expected to trade during the 2018/19 year.

Report of the Governing Body *(continued)*

Treasury policies and objectives

Treasury management is the management of the College's cash flows, its banking, money market and capital market transactions; the effective control of the risks associated with those activities; and the pursuit of optimum performance consistent with those risks.

The College has a separate treasury management policy in place.

Short term borrowing for temporary revenue purposes is authorised by the Accounting Officer. All other borrowing requires the authorisation of the Corporation and shall comply with the requirements of the Financial Memorandum.

Cash flows and liquidity

The College generated net cash flow from operating activities of some £3,406k (2016/17 £3,255 k). This improved cash flow was generated by the transfer of operations from Walsall Adult and Community College.

Accordingly, the College's overall cash and cash equivalents increased by £1,182k from £6,182 k at 31 July 2017 to £7,364k at 31 July 2018.

Reserves Policy

The College has no formal Reserves Policy, but recognises the importance of reserves in the financial stability of an organisation, and ensures that there are adequate reserves to support the College's core activities. The College currently holds £65,000 in restricted reserves in relation to endowment funds and £206,000 in the revaluation reserve with the remaining £40,620,000 in the income and expenditure account (2016/17 - £36,300,000). In accordance with the strategic ambition to Secure Our Future it is the Corporation's intention to generate annual operating surpluses and associated net positive cash inflow in order to fund re-investment back into the College for the benefit of staff, students and the local community.

Report of the Governing Body *(continued)*

CURRENT AND FUTURE DEVELOPMENT AND PERFORMANCE

Financial Health

The College was assessed by the ESFA as having an “Outstanding” financial health grading based on the results for 2015/16 and the Financial Plan for 2017/18. It is anticipated that the College will dip to Good financial health on the basis of these accounts. This dip is a result of lagged funding on study programmes suppressing EBITDA and delayed payment of Capital Grants and High Needs funding suppressing solvency as measured on the balance sheet date. This dip does not represent a change in the College’s underlying strength which is expected to return to Outstanding in 2018/19 and remain so through the ESFA 3 year planning window.

Student numbers

In 2017/18 the College has delivered activity that has produced in recurrent grant funding from the Education and Skills Funding Agency and the Office for Students £28,515,000 (2016/17 – £26,923,000). The College educated more than 3,700 16-18-year-old students, 2,000 apprentices and drew down for delivery to adults in the classroom and workplace.

Payment performance

The Late Payment of Commercial Debts (Interest) Act 1998, which came into force on 1 November 1998, requires Colleges, in the absence of agreement to the contrary, to make payments to suppliers within 30 days of either the provision of goods or services or the date on which the invoice was received. The College’s policy is to pay suppliers on the next purchase ledger run after the debt became due. On the rare occasion where this is not possible the College aims to communicate this with suppliers to arrange a mutually agreeable payment date.

Events after the end of the reporting period

The College has not identified any significant post balance sheet events.

Report of the Governing Body *(continued)*

Future prospects

The College continues to integrate the former activities of Walsall Adult and Community College. Like provision across the College has been aggregated, expanding the former Foundation Learning Cluster to become the Foundation and Community Learning Cluster.

Readiness for the delivery of T-Levels, which the College will be delivering from September 2020, is a key focus. The College has already put in place resource and engaged with employers to deliver the new work placement requirements for T-Level students. Capital investment for the new provision is currently being assessed but will remain speculative until detailed qualification and assessment requirements are available.

The devolution of some of the College current Adult Education Budget to the West Midlands Combined authority is a further change to the skills landscape. The College is working closely with the Combined Authority to ensure our curriculum is aligned closely with the regional agenda and its priority areas. The College's expanded community provision provides significant opportunity to deliver in this area.

Whilst the College is in a strong financial position, particularly when compared to some of its College Peers, the real terms cuts to funding rates are causing pressures on the College's Business Model. Pressure for further pay increases from staff remains significant given the increase in living costs and the long period of pay restraint. The ongoing costs of the defined benefit pension schemes remains a concern particularly. These cost increases can realistically only be met by diverting resources away from teaching. The outcome for the sector from the 2019 spending review is of particular relevance.

RESOURCES

The College has various resources that it can deploy in pursuit of its strategic objectives.

Financial

The College has £40,891,000 of net assets (including Pension Liability of £15,176,000) and long term debt of £6,138,000

People

The College employs 578 people (expressed as full time equivalents), of whom 291 are teaching related staff. This excludes assessors who are largely involved in the delivery of apprenticeships.

Reputation

The College has a very good reputation locally and nationally. Maintaining a quality brand is essential for the College's success at attracting students and external relationships.

Report of the Governing Body *(continued)*

PRINCIPAL RISKS AND UNCERTAINTIES

The College has undertaken further work during the year to develop and embed the system of internal control, including financial, operational and risk management which is designed to protect the College's assets and reputation.

Based on the strategic plan, the Corporation undertakes a comprehensive review of the risks to which the College is exposed which is underpinned by an overall Board Assurance Framework. They identify systems and procedures, including specific preventative actions which should mitigate any potential impact on the College. The internal controls are then implemented and the subsequent year's appraisal will review their effectiveness and progress against risk mitigation actions. In addition to the annual review, the Corporation also consider any risks which may arise as a result of any new area of work being undertaken by the College.

A Risk Register is maintained at the College level which is reviewed termly at each meeting of the Audit Committee and annually by the College Corporation. The Risk Register identifies the key risks, the likelihood of those risks occurring, their potential impact on the College and the actions being taken to reduce and mitigate the risks. Risks are prioritised using a consistent scoring system. This is supported by a Risk Management training programme to raise awareness of risk throughout the College.

Outlined below is a description of the principal risk factors that may affect the College. Not all the factors are within the College's control. Other factors besides those listed below may also adversely affect the College.

Government funding:

The College has a considerable reliance on continued government funding, through the further education sector funding bodies, and through the Office for Students (formerly HEFCE). In 2017/18, 80% of the College's revenue was ultimately publicly funded and this level of requirement is expected to continue. There can be no assurance that government policy or practise will remain the same or that public funding will continue at the same levels or on the same terms.

The College is aware of several issues, which may affect future funding, including the transitional apprenticeship market following reforms, devolution of the Adult Education Budget and the transition to T-Levels. The College is working closely with its key stakeholders including the West Midlands Combined Authority to ensure it can support the regional skills agenda for growth.

Report of the Governing Body *(continued)*

Maths and English

Government policy clearly identifies the responsibility on colleges to progress young people towards the achievement of grade 9 to 4 (formerly A*-C) in Maths and English at GCSE level. This is reflected in the expectation of Ofsted and is evident in the outcomes of inspections sector wide. Whilst many students achieve a GCSE pass the key milestone of grade 9 to 4 (formerly A*-C) remains a significant challenge. Further improvement remains critical to the lifelong success of our learners and the College continues to prioritise resourcing and focus in this area.

Safeguarding and Wellbeing

The College gives safeguarding and the wellbeing of staff and students the very highest priority. Whilst the College has been commended by Ofsted for best practice for safeguarding, there remain high inherent risks in and around the local communities that the College serves in respect of PREVENT and Child Sexual Exploitation. The College also is responsible for an ever growing number of apprentices in and students undertaking external work experience in accordance with the objectives of the Study Programme and as such it is paramount employer workplaces are a safe environment for our students.

Maintain adequate funding of pension liabilities

The financial statements report the share of the Local Government Pension Scheme deficit on the College's balance sheet in line with the requirements of FRS 102.

Following the last triennial revaluation the College is finalising agreement of a new deficit recovery plan with the West Midlands Pension Fund. The College are confident they have adequate resources to meet the expected final agreed plan.

Failure to maintain the financial viability of the College

The College's current financial health grade is classified as "Good" as described above. The College has manageable levels of borrowing with no current requirement for more, is generating cash surpluses year on year and has sufficient liquid funds to meet its ongoing operational requirements. This does not remove the challenges presented by the constraint on further education funding arising from the ongoing cuts in public sector spending whilst maintaining the student experience. This risk is managed through

- Rigorous budget setting procedures and sensitivity analysis
- Regular in year budget monitoring
- Robust Financial Control
- Exploring ongoing procurement efficiencies

Report of the Governing Body *(continued)*

STAKEHOLDER RELATIONSHIPS

In line with other colleges and with universities, Walsall College has many stakeholders. These include:

- Students;
- Education sector funding bodies;
- FE Commissioner;
- Staff;
- Local employers (with specific links);
- Local authorities; including the West Midlands Combined Authority
- Local Enterprise Partnerships (LEPs);
- The local community;
- Other FE institutions;
- Trade unions;
- Professional bodies.

The College recognises the importance of these relationships and engages in regular communication with them through the College Internet site and by meetings.

Equal opportunities

We are building a College community that through its leadership, recruitment, teaching and learning is free from discrimination and secure and confident in its diversity. The College is committed to ensuring that every individual learner and employee is valued, supported and respected. We welcome and celebrate the unique talent and experience of each individual learner and employee.

Effective teaching and learning require a safe environment, free from prejudice and discrimination, where the values and ethos of quality and diversity inform all College activity. Walsall College therefore has zero tolerance of discrimination on grounds of age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership, and pregnancy and maternity. In common with the national picture, the College is seeing an increase in numbers of students with both short term and chronic mental health conditions. The College is continuing to develop ways to support staff and students alike in preventing barriers to learning and to minimise any impacts associated with this increase. These values apply equally to staff and governors, as well as students.

Our Single Equality Scheme and associated policies outline how we seek to ensure that the College is free from unlawful discrimination, and strives constantly to move beyond legal compliance towards excellence and best practice in promoting and celebrating equality and diversity.

The College considers all applications fairly. Where an existing employee becomes disabled, every effort is made to ensure that employment continues. The College's policy is to provide training, career development and opportunities for promotion which are, as far as possible, identical to those for other employees. An equalities action plan is published as part of the Single Equality Scheme each year and monitored by managers and governors.

Report of the Governing Body *(continued)*

Disability statement

Learners with learning difficulties and/or disabilities are well supported and thrive at Walsall College. We are committed to the development of new and better opportunities for disabled people and aim to develop both practice and delivery options to ensure their success. We operate a social disability model, where the College is proactive in removing barriers to participation and success for learners and employees with a learning difficulty or disability. We will assist disabled staff to succeed in their employment at Walsall College.

The legislative framework is The Equalities Act 2010 which consolidated the rights of people with disabilities. We recognise that it covers a broad spectrum of requirements, including:

- Sensory impairment
- Restrictions to mobility
- Mental ill-health
- Long-term debilitating illnesses

The College has maintained comprehensive data on the disabilities of learners collected through the enrolment process and has a planned response to their needs. Although opportunities are available for staff to declare disabilities we feel that some may choose not to do so. We will encourage staff to disclose by increasing the opportunities that they have to do so which will enable us to respond more effectively to their needs. We will work to dismantle any barriers to career progression and self-fulfilment for both staff and students.

We will continue to:

- Support staff and students to feel confident to declare any disability or learning difficulty, particularly "hidden" disability issues, such as mental health and developmental disorders through training and awareness raising campaigns.
- Celebrate the success of those students who have overcome disadvantage to succeed in our College.
- Focus support to ensure retention, success and satisfaction remain high for students and staff with disabilities or learning difficulties.
- Extend our forum for students with learning difficulties or disabilities to include staff.
- Monitor the impact of our activity in improving the conditions and success of disabled staff and students within the College.
- Where appropriate, enhance learners' ability to live independently by reducing their dependency on additional learning support.
- Conduct reasonable adjustments for both staff and students where needed.

Support services for learners are widely publicised in student literature, available on the intranet and consolidated during induction. Information is readily available to support learners in raising any concerns concerning their wellbeing or fair treatment.

Report of the Governing Body *(continued)*

Trade Union Facility Time

The Trade Union (Facility Time Publication Requirements) Regulations 2017 require the College to publish information on facility time arrangements for trade union officials at the college

Numbers of employees who were trade union officials during the year ended 31 July 2018	6
FTE employee number	6

Percentage of time	Number of employees
1-50%	6

Total cost of facility time	£30,737
Total pay bill	£24,680,000
Percentage of total bill spent on facility time	0.12%

Modern Slavery Act 2015

Slavery and human trafficking are abuses of a person's freedoms and rights. The College is totally opposed to such abuses in our engagements with students and other partners, our indirect operations and our supply chain as a whole.

The College operates exclusively within the United Kingdom. Foreign trips do take place from time to time to explore future avenues of business and the majority of Walsall College activity and students are from the Midlands.

Whilst not yet obliged (as turnover <£40m) to have a modern slavery policy the College takes this issue very seriously and has developed a policy which can be viewed in full on the College Web-Site.

Disclosure of information to auditors

The members who held office at the date of approval of this report confirm that, so far as they are each aware, there is no relevant audit information of which the College's auditors are unaware; and each member has taken all the steps that he or she ought to have taken to be aware of any relevant audit information and to establish that the College's auditors are aware of that information.

Approved by order of the members of the Corporation on 13 December 2018 and signed on its behalf by:

Allan Pinnegar
Chair

Statement of Corporate Governance and Internal Control

The following statement is provided to enable readers of the annual report and accounts of the College to obtain a better understanding of its governance and legal structure.

The College endeavours to conduct its business:

- in accordance with the seven principles identified by the Committee on Standards in Public Life (selflessness, integrity, objectivity, accountability, openness, honesty and leadership);
- in full accordance with the guidance to colleges from the Association of Colleges in The Code of Good Governance for English Colleges ("the Code"); and
- having due regard to the UK Corporate Governance Code insofar as it is applicable to the further education sector.

The College is committed to exhibiting best practice in all aspects of corporate governance and in particular the College has adopted and complied with the Code. We have not adopted and therefore do not apply the UK Corporate Governance Code. However, we have reported on our Corporate Governance arrangements by drawing upon best practice available, including those aspects of the UK Corporate Governance Code we consider to be relevant to the further education sector and best practice.

In the opinion of the Governors, the College complies with all the provisions of the Code, and it has complied throughout the year ended 31 July 2018. The Governing Body recognises that, as a body entrusted with both public and private funds, it has a particular duty to observe the highest standards of corporate governance at all times. In carrying out its responsibilities, it takes full account of The Code of Good Governance for English Colleges issued by the Association of Colleges in March 2015, which it formally adopted in July 2015.

The College is an exempt charity within the meaning of Part 3 of the Charities Act 2011. The Governors, who are also the Trustees for the purposes of the Charities Act 2011, confirm that they have had due regard for the Charity Commission's guidance on public benefit and that the required statements appear elsewhere in these financial statements.

Statement of Corporate Governance and Internal Control *(continued)*

The Corporation

The members who served on the Corporation during the year and up to the date of signature of this report were as listed in the table below.

Name	Date of Appointment	Term of office	Date of resignation	Status of appointment	Committees served	Attendance *

Alison Buick acts as the Clerk to the Corporation.

It is the Corporation's responsibility to bring independent judgement to bear on issues of strategy, performance, resources and standards of conduct.

The Corporation is provided with regular and timely information on the overall financial performance of the College together with other information such as performance against funding targets, proposed capital expenditure, quality matters and personnel-related matters such as health and safety and environmental issues. The Corporation meets once a term.

The Corporation conducts its business through a number of committees. Each committee has terms of reference, which have been approved by the Corporation. These Committees are:

- Audit;
- Finance and Resources;
- Learning and Quality;
- Remuneration;
- Search and Governance Standards; and
- Student Voice.

Full minutes of all meetings, except those deemed to be confidential by the Corporation, are available on the College's website at walsallcollege.ac.uk or from the Clerk to the Corporation at:

Walsall College
Wisemore Campus
Littleton Street West
Walsall
WS2 8ES

The Clerk to the Corporation maintains a register of financial and personal interests of the governors. The register is available for inspection at the above address.

All governors are able to take independent professional advice in furtherance of their duties at the College's expense and have access to the Clerk to the Corporation, who is responsible to the Board for ensuring that all applicable procedures and regulations are complied with. The appointment, evaluation and removal of the Clerk are matters for the Corporation as a whole.

Formal agendas, papers and reports are supplied to governors in a timely manner, prior to Board meetings. Briefings are provided on an ad hoc basis.

Statement of Corporate Governance and Internal Control *(continued)*

The Corporation has a strong and independent non-executive element and no individual or group dominates its decision-making process. The Corporation considers that each of its non-executive members is independent of management and free from any business or other relationship which could materially interfere with the exercise of their independent judgement.

There is a clear division of responsibility in that the roles of the Chair and Accounting Officer are separate.

Appointments to the Corporation

Any new appointments to the Corporation are a matter for the consideration of the Corporation as a whole. The Corporation has a Search and Governance Standards Committee, consisting of six members of the Corporation, which is responsible for the selection and nomination of any new member for the Corporation's consideration. The Corporation is responsible for ensuring that appropriate training is provided as required.

Other than the Principal who is appointed ex officio, members of the Corporation are appointed for a term of office not exceeding three years.

Corporation Performance

The Corporation carried out a self-assessment of its own performance for the year ended 31 July and graded itself as "Outstanding" on the Ofsted scale. External governors have continued to bring a breadth of relevant corporate knowledge and skills, such as financial management, manufacturing and engineering, as well as a very sharp focus on the priorities of employers.

The existing governance framework is well established and operates well, meeting the needs of the College and the Governors and reflects outstanding practise.

Remuneration Committee

Throughout the year ending 31 July 2018 the College's Remuneration Committee comprised five members of the Corporation. The Committee's responsibilities are to make recommendations to the Board on the remuneration and benefits of the Accounting Officer and other designated postholders.

Details of remuneration for the year ended 31 July 2018 are set out in the notes to the financial statements.

Statement of Corporate Governance and Internal Control *(continued)*

Audit Committee

The Audit Committee comprises four members of the Corporation (excluding the Accounting Officer and Chair) and one associate governor. The Committee operates in accordance with written terms of reference approved by the Corporation. Its purpose is to advise the Corporation on the adequacy and effectiveness of the College's system of internal control and its arrangements for risk management, control and governance processes.

The Audit Committee meets on at least a termly basis and provides a forum for reporting by the College's internal, financial statement and funding assurance auditors, who have access to the Committee for independent discussion, without the presence of College management. The Committee also receives and considers reports from the main FE funding bodies, as they affect the College's business.

The College's internal auditors monitor the systems of internal control, risk management controls and governance processes. Under a separate engagement, the College's financial statements audit firm delivers a programme of funding assurance. Internal audit and funding assurance services are provided in accordance with an agreed plan and their findings are reported to management and the Audit Committee.

Management is responsible for the implementation of agreed recommendations and internal audit undertake periodic follow up reviews to ensure such recommendations have been implemented. The Audit Committee also advises the Corporation on the appointment of auditors and their remuneration for both audit and non-audit work.

Internal control

Scope of responsibility

The Corporation is ultimately responsible for the College's system of internal control and for reviewing its effectiveness. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Corporation has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for maintaining a sound system of internal control that supports the achievement of the College's policies, aims and objectives, whilst safeguarding the public funds and assets for which they are personally responsible, in accordance with the responsibilities assigned to them in the Financial Memorandum between Walsall College and the funding bodies. They are also responsible for reporting to the Corporation any material weaknesses or breakdowns in internal control.

The College maintains a Board Assurance Framework (BAF) that provides a framework of key risks and management responses to them. This document gives the Board the assurance that the College understands the operating environment it works in and the preventative measures in place to mitigate these risks.

Statement of Corporate Governance and Internal Control *(continued)*

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of College policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Walsall College for the year ended 31 July 2018 and up to the date of approval of the annual report and accounts.

Capacity to handle risk

The Corporation has reviewed the key risks to which the College is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Corporation is of the view that there is a formal ongoing process for identifying, evaluating and managing the College's significant risks that has been in place for the period ending 31 July 2018 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the Corporation.

The risk and control framework

The system of internal control is based on a framework of regular management information, administration procedures including the segregation of duties, and a system of delegation and accountability. In particular, it includes:

- Comprehensive budgeting systems with an annual budget, which is reviewed and agreed by the Corporation
- Regular reviews by the Corporation of periodic and annual financial reports which indicate financial performance against forecasts
- Setting targets to measure financial and other performance
- Clearly defined capital investment control guidelines
- The adoption of formal project management disciplines, where appropriate

The College has an internal audit service and funding assurance service. The work of the internal audit service is informed by an analysis of the risks to which the College is exposed, and annual internal audit plans are based on this appraisal. The analysis of risks and the internal audit plans are endorsed by the Corporation on the recommendation of the Audit Committee. The funding assurance service annually tests compliance with the funding rules for core income streams.

As a minimum, the internal auditor annually provides the Corporation with a summary report on its activity in the College. The Internal Audit Annual Report includes the auditor's independent opinion on the adequacy and effectiveness of the College's system of risk management, controls and governance processes.

Statement of Corporate Governance and Internal Control *(continued)*

Review of effectiveness

As Accounting Officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. Their review of the effectiveness of the system of internal control is informed by:

- the work of the internal auditors
- the work of the executive managers within the College who have responsibility for the development and maintenance of the internal control framework
- comments made by the College's financial statements auditors, the reporting accountant for regularity assurance, the appointed funding auditors (for colleges subject to funding audit) in their management letters and other reports.

The Accounting Officer has been advised on the implications of the result of their review of the effectiveness of the system of internal control by the Audit Committee which oversees the work of the internal auditor, and a plan to address weaknesses and ensure continuous improvement of the system is in place.

The Senior Management Team receives reports setting out key performance and risk indicators and considers possible control issues brought to their attention by early warning mechanisms, which are embedded within the departments and reinforced by risk awareness training. The Senior Management Team and Audit Committee also receive regular reports from the internal auditor, which include recommendations for improvement. The Audit Committee's role in this area is confined to a high-level review of the arrangements for internal control. The Corporation's agenda includes a regular item for consideration of risk and control and receives reports thereon from the Senior Management Team and the Audit Committee. The emphasis is on obtaining the relevant degree of assurance and not merely reporting by exception. At its December 2018 meeting, the Corporation carried out the annual assessment for the year ended 31 July 2018 by considering documentation from the Senior Management Team and internal audit, and taking account of events since 31 July 2018.

Based on the advice of the Audit Committee, the Corporation is of the opinion that the College has an adequate and effective framework for governance, risk management and control, and has fulfilled its statutory responsibility for "the effective and efficient use of resources, the solvency of the institution and the body and the safeguarding of their assets".

Statement of Corporate Governance and Internal Control *(continued)*

Going concern

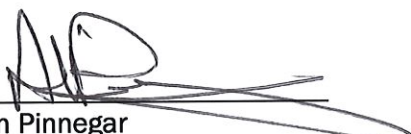

The Corporation has considered its responsibility to notify the Education and Skills Funding Agency of material irregularity, impropriety and non-compliance with Education and Skills Funding Agency terms and conditions of funding, under the financial memorandum in place between the College and the Education and Skills Funding Agency. As part of our consideration we have had due regard to the requirements of the financial memorandum.

We confirm, on behalf of the Corporation, that after due enquiry, and to the best of our knowledge, we are able to identify any material irregular or improper use of funds by the College, or material non-compliance with the Education and Skills Funding Agency's terms and conditions of funding under the College's financial memorandum.

We confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Education and Skills Funding Agency.

After making appropriate enquiries, the Corporation considers that the College has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Governing Body's statement on the College's regularity, propriety and compliance with Funding body terms and conditions of funding

The Corporation has considered its responsibility to notify the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of funding, under the College's financial memorandum. As part of our consideration we have had due regard to the requirements of the financial memorandum.

We confirm, on behalf of the Corporation, that after due enquiry, and to the best of our knowledge, we are able to identify any material irregular or improper use of funds by the College, or material non-compliance with the terms and conditions of funding under the College's financial memorandum.

We confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Education and Skills Funding Agency.

Allan Pinnegar
Chair

Jatinder Sharma OBE
Accounting Officer

Statement of Responsibilities of the Members of the Corporation

The members of the Corporation are required to present audited financial statements for each financial year.

Within the terms and conditions of the College's Financial Memorandum with the ESFA, the Corporation, through its Accounting Officer, is required to prepare financial statements for each financial year in accordance with the *2015 Statement of Recommended Practice – Accounting for Further and Higher Education* and with the *College Accounts Direction 2017 to 2018* issued by the ESFA, and which give a true and fair view of the state of affairs of the College and the result for that year.

In preparing the financial statements, the Corporation is required to:

- select suitable accounting policies and apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- assess the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the College or to cease operations, or have no realistic alternative but to do so.

The Corporation is also required to prepare a Report of the Governing Body which describes what it is trying to do and how it is going about it, including information about the legal and administrative status of the College.

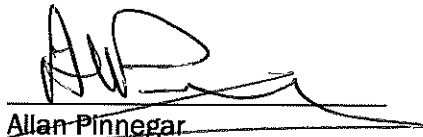

The Corporation is responsible for keeping proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the College, and which enable it to ensure that the financial statements are prepared in accordance with the relevant legislation of incorporation and other relevant accounting standards. It is responsible for such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and for taking steps that are reasonably open to it in order to safeguard the assets of the College and to prevent and detect fraud and other irregularities.

The maintenance and integrity of the College website is the responsibility of the Corporation of the College; the work carried out by the auditors does not involve consideration of these matters and, accordingly, the auditors accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement of responsibilities of the Members of the Corporation *(continued)*

Members of the Corporation are responsible for ensuring that expenditure and income are applied for the purposes intended by Parliament and that the financial transactions conform to the authorities that govern them. In addition they are responsible for ensuring that funds from the ESFA are used only in accordance with the Financial Memorandum with the ESFA and any other conditions that may be prescribed from time to time. Members of the Corporation must ensure that there are appropriate financial and management controls in place in order to safeguard public and other funds and to ensure they are used properly. In addition, members of the Corporation are responsible for securing economical, efficient and effective management of the College's resources and expenditure, so that the benefits that should be derived from the application of public funds from the ESFA are not put at risk.

Independent auditor's report to the Corporation of Walsall College

KPMG LLP

One Snowhill
Snow Hill Queensway
Birmingham
B4 6GH

Opinion

We have audited the financial statements of Walsall College ("the College") for the year ended 31 July 2018 which comprise the Statement of Comprehensive Income and Expenditure, Statement of Changes in Reserves, Balance Sheet, Statement of Cash Flows and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the College's affairs as at 31 July 2018, and of the College's income and expenditure, gains and losses, changes in reserves, and cash flows, for the year then ended; and
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*, and with the 2015 *Statement of Recommended Practice – Accounting for Further and Higher Education*.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the College in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. We have nothing to report in these respects.

Other information

The Corporation is responsible for the other information, which comprises the Report of the Governing Body and the Statement of Corporate Governance and Internal control. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work, we have not identified material misstatements in the other information.

Independent auditor's report to the Corporation of Walsall College (continued)

Matters on which we are required to report by exception

Under the Post-16 Audit Code of Practice 2017 to 2018 (March 2018) issued by the Education and Skills Funding Agency we are required to report to you if, in our opinion:

- adequate accounting records have not been kept by the College; or
- the College's financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Corporation's responsibilities

As explained more fully in their statement set out on pages 27 and 28, the Corporation is responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless it either intends to liquidate the College or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities

- Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.
- A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Corporation, in accordance with Article 22 of the College's Articles of Government. Our audit work has been undertaken so that we might state to the Corporation those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the College and the Corporation for our audit work, for this report, or for the opinions we have formed.

19 December 2018

Reporting accountant's assurance report on regularity to the Corporation of Walsall College and Secretary of State for Education acting through the Education and Skills Funding Agency

KPMG LLP

One Snowhill
Snow Hill Queensway
Birmingham
B4 6GH

In accordance with the terms of our engagement letter dated 1 October 2015 and further to the requirements of the funding agreement with the Education and Skills Funding Agency we have carried out an engagement to obtain limited assurance about whether anything has come to our attention that would suggest that in all material respects the expenditure disbursed and income received by Walsall College during the period 1 August 2017 to 31 July 2018 have not been applied to the purposes identified by Parliament and the financial transactions do not conform to the authorities which govern them.

The framework that has been applied is set out in the Post-16 Audit Code of Practice issued by the Education and Skills Funding Agency. In line with this framework, our work has specifically not considered income received from the main funding grants generated through the Individualised Learner Record (ILR) returns, for which the Education and Skills Funding Agency has other assurance arrangements in place.

This report is made solely to the corporation of Walsall College and the Education and Skills Funding Agency in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the corporation of Walsall College and Education and Skills Funding Agency those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the corporation of Walsall College and the Education and Skills Funding Agency for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Walsall College and the reporting accountant

The corporation of Walsall College is responsible, under the requirements of the Further & Higher Education Act 1992, subsequent legislation and related regulations and guidance, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Post-16 Audit Code of Practice. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the 1 August 2017 to 31 July 2018 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Reporting accountant's assurance report on regularity *(continued)*

Approach

We conducted our engagement in accordance with the Post-16 Audit Code of Practice issued by the Education and Skills Funding Agency. We performed a limited assurance engagement as defined in that framework.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity of the College's income and expenditure.

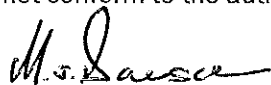

The work undertaken to draw our conclusion included:

- Documenting the framework of authorities which govern the activities of the College;
- Undertaking a risk assessment based on our understanding of the general control environment and any weaknesses in internal controls identified by our audit of the financial statements;
- Reviewing the self-assessment questionnaire which supports the representations included in the Chair of Governors and Accounting Officer's statement on regularity, propriety and compliance with the framework of authorities;
- Testing transactions with related parties;
- Confirming through enquiry and sample testing that the College has complied with its procurement policies and that these policies comply with delegated authorities; and
- Reviewing any evidence of impropriety resulting from our work and determining whether it was significant enough to be referred to in our regularity report.

This list is not exhaustive and we performed additional procedures designed to provide us with sufficient appropriate evidence to express a limited assurance conclusion on regularity consistent with the requirements of the Post-16 Audit Code of Practice.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 August 2017 to 31 July 2018 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

The notes on pages 37 to 64 form an integral part of these financial statements.

Notes to the Accounts

1 Statement of accounting policies and estimation techniques

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

Basis of preparation

These financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting for Further and Higher Education 2015 (the 2015 FE HE SORP), the College Accounts Direction for 2017 to 2018 and in accordance with Financial Reporting Standard 102 – “The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland” (FRS 102). The College is a public benefit entity and has therefore applied the relevant public benefit requirements of FRS 102.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the College's accounting policies.

Basis of accounting

The financial statements are prepared in accordance with the historical cost convention as modified by the use of previous valuations as deemed cost at transition for certain non-current assets.

Going concern

The activities of the College, together with the factors likely to affect its future development and performance are set out in the Report of the Governing Body. The financial position of the College, its cashflow, liquidity and borrowings are presented in the Financial Statements and accompanying Notes.

The College currently has £6.4m of loans outstanding with bankers on terms negotiated in 2007. The terms of the existing agreement are for up to another 17 years. The College's forecasts and financial projections indicate that it will be able to operate within this existing facility and covenants for the foreseeable future. The College also has a £0.9m loan arrangement under the Lennartz ruling which is repayable by 2018/19.

Accordingly, the College has a reasonable expectation that it has adequate resources to continue in operational existence for the foreseeable future, and for this reason will continue to adopt the going concern basis in the preparation of its Financial Statements.

Notes (continued)

1 Statement of accounting policies and estimation techniques (continued)

Recognition of income

Government revenue grants include funding body recurrent grants and other grants and are accounted for under the accrual model as permitted by FRS 102. Funding body recurrent grants are measured in line with best estimates for the period of what is receivable and depend on the particular income stream involved. Any under or over achievement for the Adult Skills Budget is adjusted for and reflected in the level of recurrent grant recognised in the income and expenditure account. The final grant income is normally determined with the conclusion of the year end reconciliation process with the funding body following the year end, and the results of any funding audits. 16-18 learner-responsive funding is not normally subject to reconciliation and is therefore not subject to contract adjustments.

The recurrent grant from the Office for Students represents the funding allocations attributable to the current financial year and is credited direct to the Statement of Comprehensive Income.

Grants (including research grants) from non-government sources are recognised in income when the College is entitled to the income and performance related conditions have been met. Income received in advance of performance related conditions being met is recognised as deferred income within creditors on the balance sheet and released to income as the conditions are met.

Government and other capital grants are recognised in income when the College is entitled to the funds subject to any performance related conditions being met.

Income from tuition fees is stated gross of any expenditure which is not a discount and is recognised in the period for which it is received. All income from short-term deposits is credited to the income and expenditure account in the period in which it is earned on a receivable basis.

Agency arrangements

The College acts as an agent in the collection and payment of discretionary support funds including grants for free meals in FE and other discretionary employer apprenticeship incentive grants. Related payments received from the funding bodies and subsequent disbursements to students are excluded from the income and expenditure of the College where the College is exposed to minimal risk or enjoys minimal economic benefit related to the transaction.

Notes (continued)

1 Statement of accounting policies and estimation techniques (continued)

Accounting for post-employment benefits

The Teachers' Pension Scheme (TPS) and the Local Government Pension Scheme (LGPS) principally provide post-employment benefits to employees of the College. These are defined benefit plans, which are externally funded and contracted out of the State Second Pension.

The TPS is an unfunded scheme. Contributions to the TPS are calculated so as to spread the cost of pensions over employees' working lives with the College in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by qualified actuaries on the basis of valuations using a prospective benefit method. The TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution plan and the contributions recognised as an expense in the income statement in the periods during which services are rendered by employees.

The LGPS is a funded scheme. The assets of the LGPS are measured using closing fair values. LGPS liabilities are measured using the projected unit credit method and discounted at the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred.

Net interest on the net defined benefit liability/asset is also recognised in the Statement of Comprehensive Income and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in interest and other finance costs. Actuarial gains and losses are recognised immediately in Actuarial gain/loss in respect of pension schemes.

Short term Employment benefits

Short term employment benefits such as salaries and compensated absences (holiday pay) are recognised as an expense in the year in which the employees render service to the College. Any unused benefits are accrued and measured as the additional amount the College expects to pay as a result of the unused entitlement.

Notes (continued)

1 Statement of accounting policies and estimation techniques (continued)

Enhanced Pensions

The actual cost of any enhanced ongoing pension to a former member of staff is paid by a college annually. An estimate of the expected future cost of any enhancement to the ongoing pension of a former member of staff is charged in full to the College's income in the year that the member of staff retires. In subsequent years a charge is made to provisions in the balance sheet using the enhanced pension spreadsheet provided by the funding bodies.

Non-current Assets - Tangible fixed assets

Tangible fixed assets are stated at cost / deemed cost less accumulated depreciation and accumulated impairment losses. Certain items of fixed assets that had been revalued to fair value on or prior to the date of transition to the 2015 FE HE SORP, are measured on the basis of deemed cost, being the revalued amount at the date of that revaluation.

Land and buildings

Land and buildings inherited from the Local Education Authority are stated in the balance sheet at valuation on the basis of depreciated replacement cost as the open market value for existing use is not readily obtainable. The associated credit is included in the revaluation reserve. The difference between depreciation charged on the historic cost of assets and the actual charge for the year calculated on the revalued amount is released to the income and expenditure account on an annual basis.

Freehold buildings are depreciated on a straight line basis over their expected useful lives as follows:

- Buildings 50 years
- Refurbishments 10 years

Land is not depreciated.

Where land and buildings are acquired with the aid of specific grants, they are capitalised and depreciated as above.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying amount of any fixed asset may not be recoverable.

On adoption of FRS 102, the College followed the transitional provision to retain the book value of land and buildings, certain of which were revalued in 1994, as deemed cost but not to adopt a policy of revaluations of these properties in the future.

Notes (continued)

1 Statement of accounting policies and estimation techniques (continued)

Assets under construction

Assets under construction are accounted for at cost, based on the value of architects' certificates and other direct costs, incurred to 31 July. They are not depreciated until they are brought into use.

Subsequent expenditure on existing fixed assets

Where significant expenditure is incurred on tangible fixed assets after initial purchase it is charged to income in the period it is incurred, unless it increases the future benefits to the College, in which case it is capitalised and depreciated on the relevant basis.

Equipment

Equipment costing less than £1,000 per individual item is recognised as expenditure in the period of acquisition. All other equipment is capitalised at cost.

Capitalised equipment is depreciated on a straight-line basis over its remaining useful economic life as follows:

- | | |
|--|---------------|
| • motor vehicles and general equipment | 4 years |
| • computer equipment | 2 to 4 years |
| • furniture, fixtures and fittings | 5 to 10 years |

Borrowing costs

Borrowing costs are recognised as expenditure in the period in which they are incurred.

Notes (continued)

1 Statement of accounting policies and estimation techniques (continued)

Leased assets

Costs in respect of operating leases are charged on a straight-line basis over the lease term. Any lease premiums or incentives relating to leases signed after 1 August 2014 are spread over the minimum lease term. The College has taken advantage of the transitional exemptions in FRS 102 and has retained the policy of spreading lease premiums and incentives to the date of the first market rent review for leases signed before 1 August 2014.

Leasing agreements which transfer to the College substantially all the benefits and risks of ownership of an asset are treated as finance leases.

Assets held under finance leases are recognised initially at the fair value of the leased asset (or, if lower, the present value of minimum lease payments) at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Assets held under finance leases are included in tangible fixed assets and depreciated and assessed for impairment losses in the same way as owned assets.

Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charges are allocated over the period of the lease in proportion to the capital element outstanding.

Investments

Investments in subsidiaries

Investments in subsidiaries are accounted for at cost less impairment in the individual financial statements.

Other investments

Listed investments held as non-current assets and current asset investments, which may include listed investments, are stated at fair value, with movements recognised in Comprehensive Income. Investments comprising unquoted equity instruments are measured at fair value, estimated using a valuation technique.

Stock

Stock is stated at the lower of their cost and net realisable value, being selling price less costs to complete and sell. Where necessary, provision is made for obsolete, slow-moving and defective items.

Notes (continued)

1 Statement of accounting policies and estimation techniques (continued)

Cash and cash equivalents

Cash includes cash in hand, deposits repayable on demand and overdrafts. Deposits are repayable on demand if they are in practice available within 24 hours without penalty.

Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash with insignificant risk of change in value. An investment qualifies as a cash equivalent when it has maturity of 3 months or less from the date of acquisition.

Financial liabilities and equity

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form.

All loans, investments and short term deposits held by the College are classified as basic financial instruments in accordance with FRS 102. These instruments are initially recorded at the transaction price less any transaction costs (historical cost). FRS 102 requires that basic financial instruments are subsequently measured at amortised cost, however the Group has calculated that the difference between the historical cost and amortised cost basis is not material and so these financial instruments are stated on the balance sheet at historical cost. Loans and investments that are payable or receivable within one year are not discounted.

Foreign currency translation

Transactions denominated in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the end of the financial period with all resulting exchange differences being taken to income in the period in which they arise.

Taxation

The College is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the College is potentially exempt from taxation in respect of income or capital gains received within categories covered by sections 478-488 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

The College is partially exempt in respect of Value Added Tax, so that it can only recover around 1.68% of the VAT charged on its inputs. Irrecoverable VAT on inputs is included in the costs of such inputs and added to the cost of tangible fixed assets as appropriate, where the inputs themselves are tangible fixed assets by nature.

Notes (continued)

1 Statement of accounting policies and estimation techniques (continued)

Provisions and contingent liabilities

Provisions are recognised when the College has a present legal or constructive obligation as a result of a past event, it is probable that a transfer of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the effect of the time value of money is material, the amount expected to be required to settle the obligation is recognised at present value using a pre-tax discount rate. The unwinding of the discount is recognised as a finance cost in the statement of comprehensive income in the period it arises.

A contingent liability arises from a past event that gives the College a possible obligation whose existence will only be confirmed by the occurrence or otherwise of uncertain future events not wholly within the control of the College. Contingent liabilities also arise in circumstances where a provision would otherwise be made but either it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured reliably.

Contingent liabilities are not recognised in the balance sheet but are disclosed in the notes to the financial statements.

Judgements in applying accounting policies and key sources of estimation uncertainty

In preparing these financial statements, management have made the following judgements:

- Determine whether there are indicators of impairment of the College's tangible assets. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset and where it is a component of a larger cash-generating unit, the viability and expected future performance of that unit.

Other key sources of estimation uncertainty

- *Tangible fixed assets*

Tangible fixed assets, other than investment properties, are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.

Notes (continued)

1 Statement of accounting policies and estimation techniques (continued)

• Local Government Pension Scheme

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. The actuary has used a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 to value the pensions liability at 31 July 2018. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

2 Funding body grants

Notes *(continued)*

18 Maturity of debt

(a) Bank loans and overdrafts

Bank loans and overdrafts are repayable as follows:

	2018	2017
	£'000	£'000
In one year or less	422	404
Between one and two years	442	422
Between two and five years	603	806
In five years or more	4,912	5,151
Total	6,379	6,783

The bank loan is secured on the Wisemore campus. £7m bears a fixed interest of 5.5% (excluding lending margin) and is repayable by instalments over twenty-five years until 2035. The remaining £2m is on a fixed interest rate of 3.41% (excluding lending margin) and is repayable by instalments over ten years until 2021.

(b) Other unsecured loan

	2018	2017
	£'000	£'000
In one year or less	16	16
Between one and two years	8	16
Between two and five years	-	8
Total	24	40

The loan is a public benefit entity concessionary loan, which is unsecured, interest free and is repayable in equal instalments over the next four years.

Notes (continued)

19 Provisions

	Defined benefit obligations	Enhanced pensions	Other	Total
	£'000	£'000	£'000	£'000
At 1 August 2017	17,136	206	161	17,503
Expenditure in the period	0	-	-	0
Additions in period	(1,960)	(18)	0	(1,978)
At 31 July 2018	15,176	188	161	15,525

Defined benefit obligations relate to the liabilities under the College's membership of the Local Government Pension Scheme. Further details are given in Note 25.

Other provisions relate to specific projects where there is a potential for clawback of funds.

The enhanced pension provision relates to the cost of staff who have already left the College's employ and commitments for reorganisation costs from which the College cannot reasonably withdraw at the balance sheet date. This provision has been recalculated in accordance with guidance issued by the funding bodies.

The principal assumptions for this calculation are:

	2018	2017
Price inflation	1.3%	1.3%
Discount rate	2.3%	2.3%

20 Cash and cash equivalents

	At 1 August 2017	Cash flows	Other changes	At 31 July 2018
	£'000	£'000	£'000	£'000
Cash and cash equivalents	6,182	1182	-	7,364
Treasury Deposits	-	-	-	-
Total	6,182	1,182	-	7,364

Notes *(continued)*

21 Capital and other commitments

	2018	2017
	£'000	£'000
Commitments contracted for at 31 July	<u>240</u>	<u>304</u>

22 Lease obligations

At 31 July the College had minimum lease payments under non-cancellable operating leases as follows:

	2018	2017
	£'000	£'000
Future minimum lease payments due		
Land and buildings		
Not later than one year	-	-
Later than one year and not later than five years	-	-
Later than five years	<u>-</u>	<u>-</u>
	<u>-</u>	<u>-</u>
Other		
Not later than one year	82	31
Later than one year and not later than five years	92	22
Later than five years	<u>-</u>	<u>-</u>
	<u>174</u>	<u>53</u>

23 Contingent liabilities

The College had no contingent liabilities as at 31 July 2018 (2017: nil).

24 Events after the reporting period

There are no events after the reporting period

Notes (continued)

25 Defined benefit obligations

The College's employees belong to two principal post-employment benefit plans: The Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the West Midlands Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Wolverhampton City Council. Both are multi-employer defined-benefit plans.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest formal actuarial valuation of the TPS was 31 March 2012 and of the LGPS 31 March 2016.

Total pension cost for the year	2018 £000	2017 £000
Teachers' Pension Scheme: contributions paid	1,218	1,095
Local Government Pension Scheme:		
Contributions paid	1,199	943
FRS 102 (28) charge	2,383	759
Charge to the Statement of Comprehensive Income	3,582	1,702
Enhanced pension charge to Statement of Comprehensive Income	16	16
Total Pension Cost for Year within staff costs	4,803	2,813

Contributions amounting to £314k (2017:£ 237k) were payable to the scheme and are included in creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. These regulations apply to teachers in schools and other educational establishments, including colleges. Membership is automatic for teachers and lecturers at eligible institutions. Teachers and lecturers are able to opt out of the TPS.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions, along with those made by employers, are credited to the Exchequer under arrangements governed by the above Act. Retirement and other pension benefits are paid by public funds provided by Parliament.

Under the definitions set out in FRS 102 (28.11), the TPS is a multi-employer pension plan. The College is unable to identify its share of the underlying assets and liabilities of the plan.

Notes (continued)

25 Defined benefit obligations (continued)

Accordingly, the College has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined-contribution plan. The College has set out above the information available on the plan and the implications for the College in terms of the anticipated contribution rates.

The valuation of the TPS is carried out in line with regulations made under the Public Service Pension Act 2013. Valuations credit the teachers' pension account with a real rate of return assuming funds are invested in notional investments that produce that real rate of return.

The latest actuarial review of the TPS was carried out as at 31 March 2012. The valuation report was published by the Department for Education (the Department) on 9 June 2014. The key results of the valuation are:

- New employer contribution rates were set at 16.48% of pensionable pay (including administration fees of 0.08%);
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million;
- an employer cost cap of 10.9% of pensionable pay.
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

The new employer contribution rate for the TPS was implemented in September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable at some point in 2019.

A full copy of the valuation report and supporting documentation can be found on the Teachers' Pension Scheme website.

<https://www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx>

The pension costs paid to TPS in the year amounted to £1,218k (2017: £1,095k)

25 Defined benefit obligations (continued)

Local Government Pension Scheme

The LGPS is a funded defined-benefit plan, with the assets held in separate funds administered by Wolverhampton City Council. The total contributions made for the year ended 31 July 2018 were £1,385k, of which employer's contributions totalled £938k and employees' contributions totalled £447k. The agreed contribution rates for future years are 11.5% for employers plus a past service lump sum of £226k and range from 5.5% to 12.5% for employees, depending on salary.

Principal Actuarial Assumptions

The following information is based upon a full actuarial valuation of the fund at 31 March 2016 updated to 31 July 2018 by a qualified independent actuary.

	At 31 July 2018	At 31 July 2017
Rate of increase in salaries	3.85%	4.20%
Future pensions increases	2.35%	2.70%
Discount rate for scheme liabilities	2.65%	2.70%
Inflation assumption (CPI)	2.35%	2.70%
Commutation of pensions to lump sums	50%	50%

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	At 31 July 2018 years	At 31 July 2017 years
Retiring today		
Males	21.9	21.8
Females	24.4	24.3
Retiring in 20 years		
Males	24.1	23.9
Females	26.7	26.6

Notes (continued)

25 Defined benefit obligations (continued)

The College's share of the assets in the plan at the balance sheet date and the expected rates of return were:

		Fair Value at 31 July 2018 £'000		Fair Value at 31 July 2017 £'000
Equities	63%	25,969	63%	22,931
Government bonds	7%	2,952	7%	2,652
Other bonds	4%	1,520	4%	1,396
Property	8%	3,330	7%	2,650
Cash	4%	1,539	5%	1,803
Other	14%	5,729	13%	4,814
Total fair value of plan assets		41,039		36,246
Weighted average expected long term rate of return	2.65%		2.7%	
Actual return on plan assets		1,862		5,271

The amount included in the balance sheet in respect of the defined benefit pension plan is as follows:

	2018 £'000	2017 £'000
Fair value of plan assets	41,039	36,246
Present value of plan liabilities	(56,178)	(53,340)
Present value of unfunded liabilities	(37)	(42)
Net pensions (liability) (Note 19)	(15,176)	(17,136)

Notes *(continued)*

25 Defined benefit obligations *(continued)*

Amounts recognised in the Statement of Comprehensive Income in respect of the plan are as follows:

	2018 £'000	2017 £'000
Amounts included in staff costs		
Current service cost	3,321	1,702
Past service cost	-	-
Total	<u>3,321</u>	<u>1,702</u>
 Amounts included in investment income		
Net interest income	(456)	(477)
	<u>(456)</u>	<u>(477)</u>

Amount recognised in other comprehensive income:

	2018	2017
Return on pension plan assets	855	4,506
Experience losses arising on defined benefit obligations	-	1,407
Changes in assumptions underlying the present value of plan	3,960	(4,415)
Other Actuarial Gains	-	1,403
Amount recognised in Other Comprehensive Income	<u>4,815</u>	<u>2,901</u>

Movement in net defined benefit (liability)/asset during year:

	2018 £'000	2017 £'000
Net defined benefit (liability)/asset in scheme at 1 August	(17,136)	(18,788)
Movement in year:		
Current service cost	(2,634)	(1,660)
Employer contributions	938	943
Past Service Costs	-	(42)
Net interest on the defined (liability)	(456)	(477)
Actuarial gain or loss	4,815	2,901
Liabilities assumed on Settlement (transfer from Walsall Adult and Community College)	(3,097)	-
Settlement Prices Received (transfer from Walsall Adult and Community College)	2,410	-
Administration costs	(16)	(13)
Net defined (liability) at 31 July	<u>(15,176)</u>	<u>(17,136)</u>

Notes *(continued)*

25 Defined benefit obligations *(continued)*

Asset and Liability Reconciliation:

	2018 £'000	2017 £'000
Changes in the present value of defined benefit obligations		
Defined benefit obligations at start of period	53,382	48,076
Current service cost	2,634	1,660
Interest cost	1,463	1,242
Contributions by scheme participants	447	396
Experience gains and losses on defined benefit obligations	-	(1,407)
Changes in financial assumptions	(3,960)	5,803
Changes in Demographic assumptions	-	(1,388)
Estimated benefits paid	(843)	(1,388)
Past service cost	-	42
Liabilities Assumed on Settlement (transfer from Walsall Adult and Community College)	3,097	-
Curtailments and Settlements	(5)	(5)
Defined benefit obligations at end of period	<u>56,215</u>	<u>53,382</u>

	2018 £'000	2017 £,000
Changes in fair value of plan assets:		
Fair value of plan assets at start of period	36,246	29,288
Interest on plan assets	1,007	765
Return on plan assets	855	4,506
Other actuarial gains/(losses)	-	1,403
Employer contributions	938	943
Contributions by scheme participants	447	396
Estimated benefits paid	(848)	(1,042)
Settlement Prices Received (transfer from Walsall Adult and Community College)	2,410	-
Administration costs	(16)	(13)
Fair value of plan assets at end of period	<u>41,039</u>	<u>36,246</u>

Notes (continued)

26 Related party transactions

Owing to the nature of the College's operations and the composition of the Board of Governors being drawn from local public and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the board of governors may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the College's financial regulations and normal procurement procedures.

The total expenses paid to or on behalf of the Governors during the year was £992 which was paid to 4 governors (2017: £2,051; 4 governors). This represents travel and subsistence expenses and other out of pocket expenses incurred in attending Governor meetings and charity events in their official capacity.

No Governor has received any remuneration or waived payments from the College or its subsidiaries during the year (2017: None).

27 Amounts disbursed as agent

Learner support funds

	2018 £'000	2016 £'000
Funding body grants	727	715
	<u>727</u>	<u>715</u>
Disbursed to students	(583)	(583)
Administration costs	(23)	-
Balance unspent as at 31 July, included in creditors	<u>121</u>	<u>132</u>

Funding body grants are available solely for students. In the majority of instances, the College only acts as a paying agent. In these circumstances, the grants and related disbursements are therefore excluded from the Statement of Comprehensive Income.

Notes *(continued)*

28 Gain on fair valuation of assets and liabilities acquired from Walsall Adult and Community College

The following assets and liabilities transferred from Walsall Adult and Community College on 1 April 2018 and have been included in the financial statements at the following values:

	£
Stock - travel cards	5,659
Trade Debtors	17,226
BBO Grant funds due	17,829
EFA Bursary funds due	4,321
Cash and cash equivalents	1,472,689
Francoise Ankrett Prize Fund	(1,617)
BBO WHG grant funds	(200)
BBO HOE grant funds	(18,634)
EFA Free Meals Fund	(39,062)
Age Grant Fund	(3,000)
EFA Vulnerable Bursary fund	(3,223)
Whitehall Utilities	(23,173)
Hawbush Site	1,494,000
Net Gain on assets and liabilities acquired from Walsall Adult and Community College	2,922,814
