

WALSALL COLLEGE BURSARY (16-18)  
GUIDANCE NOTES FOR APPLICANTS 2019/20

**What is Walsall College (16-18) Bursary Fund?**

The Bursary is used to help Walsall College students who may be experiencing financial hardship to complete their course. It is able to help with the essential costs of attending College, such as transport and equipment, where no other financial support is available. We must take into account the availability of any other financial support when making decisions about awarding public funds.

Whilst we recognise that some students face financial pressures, the funding you are applying for comes from a Government fund and is public money. It is not a right. The College has a duty to ensure that the funds are awarded fairly to students most in need.

Funds are cash limited and funding cannot be guaranteed. Early application is essential All awards are made subject to attendance of at least 90%, good progress and behaviour
