

Welcome to Little Professors Nursery

Little Professors Nursery is registered by OFSTED as a private day nursery to serve the needs of students, staff and the community. We can care for 62 children per session with a staff ratio of 1:8 children for 3 – 8 years, 1:4 for children 2-3 years, and babies 6 weeks – 2 years at a ratio of 1:3. Exceptions to these ratios should only be made in limited circumstances, such as when the children are sleeping. In these circumstances all the adults need not be present in the room with the children, but should be available nearby on the premises encase they are needed. We are OFSTED inspected with successful reports available on request. Reports can also be found on the OFSTED website at: www.ofsted.gov.uk.

Nursery Aims

- To provide day care and education for children in a warm, safe, friendly, caring environment, 'A rich and varied environment supports children's learning and development. It gives them the confidence to explore and learn in secure and safe yet challenging environment'.
- To provide stimulating activities and experiences in accordance with the Early Years Foundation Stage Curriculum. 'The environment supports every child's learning through planned experiences and activities that are challenging but achievable'.
- To work in line with the Early Years Foundation Stage standards as required by OFSTED.
- To provide equal opportunities for all children and equal access to learning experiences.
- To recognise that parents are a child's first and most enduring educators to work in partnership with parents to have a positive impact on children's development and learning.

We believe we can offer a happy environment for all children in which we can combine the highest standards of care to meet each child's individual needs.
