

Mission Statement

- To provide a safe and secure environment, enabling equal opportunities for children to access stimulating, achievable activities and experiences in accordance with the Early Years Foundation Stage.
- Through play and through interaction with a friendly and knowledgeable adult, the child can further their skills and understanding without fear of failing.
- To recognise that parents are a child's first and most enduring educators to work in partnership with parents to have positive impact on children's development and learning.
- To enable children to see beyond their immediate environment and strive for higher aspirations.
