

Welcome to Little Professors Nursery

Little Professors Nursery is registered by OFSTED as a private day nursery to serve the needs of students, staff at Walsall College. We can care for 62 children per session with a staff ratio of 1:8 children for 3 – 5 years, 1:4 for children 2-3 years, and babies 6 weeks – 2 years at a ratio of 1:3. Exceptions to these ratios will only be made in limited circumstances, such as when the children are sleeping. In these circumstances all the adults need not be present in the room with the children, but should be available nearby on the premises encase they are needed. We are OFSTED inspected with successful reports available on request, our last inspection was carried out on 3rd May 2017 where we were graded as Good. Reports can also be found on the OFSTED website at: www.ofsted.gov.uk

Nursery Aims.....

- To provide quality and consistency, so that every child makes good progress towards the Early Learning Goals.
- To provide all children with a secure foundation through learning and development opportunities which are planned around the needs and interests of each child and are assessed and reviewed regularly.
- To work in partnership with parents/carers and other professionals to provide children with a loving and secure relationship.
- To provide equal opportunities and anti-discriminatory practice, ensuring that every child is included and supported.

At Little Professors Nursery we believe that:

- Every child deserves the best possible start in life and the support that enables them to fulfil their potential.
- Babies, toddlers and young children will thrive when they are loved and well cared for.
- Every child is a unique child, who is constantly learning and can be resilient, capable, confident and self-assured;
- Children learn to be strong and independent through positive relationships;
- Children learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between practitioners and parents and/or carers;
- Children develop and learn in different ways and at different rates.

We offer a happy environment for all children in which we combine the highest standards of care and education to meet each child's individual needs
