Why does Walsall College collect personal information?

Walsall College collects and processes personal data relating to its learners to effectively manage learning and to meet its statutory obligations as a Further Education College and to support the delivery of Apprenticeships. Walsall College is committed to being transparent about data it collects and uses that data lawfully in line with its data protection obligations.

The above information is collected in order to meet our legal obligations with the Education Skills & Funding Agency and Higher Education Further Council for England. The information is also necessary in order for us to carry out our public task to provide education and training.

Information about your Household is collected to meet our administrative responsibilities carried out as a public task in the public interest for European Social Fund (ESF) match funding purposes. ESF supports activities to extend and develop employment opportunities and to develop a skilled workforce.

Where the organisation processes other special categories of personal data, such as information about ethnic origin, disability or health, this is done for the purposes of equal opportunities monitoring, monitoring of our service provision and to improve our services to specific groups. Our lawful basis for this is Equality of opportunity or treatment. We may also need to process special categories of personal data to support funding requirements which is supported by the 'substantial public interest condition for processing this type of data.

Some personal and special category personal data is processed so we can personalise the provision to each learner to provide you with best possible opportunities to succeed which relies on individual Consent.

For any information that has been supplied under the lawful basis of Consent, your consent can be withdrawn at any time, by contacting the data protection team dataprotection@walsallcollege.ac.uk

1. Contact details will not be used for marketing or survey purposes without your Consent, which can be withdrawn at any time. However, the college will use the contact information to contact you in order to carry out our public task duties (Delivery of Educational Services), for example to notify you of a change of course date or to receive details of the course you have enrolled onto, and also to obtain data where legally required, such as destination surveys.
2. We collect / process data about criminal offences / convictions in order to comply with our safeguarding of children and those at risk legal obligation to implement appropriate safeguards for the rights and freedoms of data subjects, and for the prevention and detection of unlawful acts.
3. We collect emergency contact details for those over the age of 18 at the start of the academic year, the provision of this information will require consent and is therefore optional.
4. For students ages under 18 (or up to 25 with an Education, Health and Care Plan), we will collect parent/guardian/carer contact details to support your education, wellbeing, and safeguarding.

This processing is carried out as part of the College's public task, in delivering education and fulfilling our statutory duties as a further education provider, including safeguarding responsibilities and supporting student success.

We recognise that parents/ guardians play an important role in supporting a student's learning and development. We may therefore contact them regarding your progress, attendance, behaviour, safeguarding concerns, and in emergency situations.

If you turn 18 during the academic year, we may continue to contact your parent/guardian as part of our public task, unless you request that we no longer do so.

You have the right to request that we do not share your personal information with your parent/guardian. Such requests will be considered on a case by case basis, taking into account our legal obligations and safeguarding responsibilities.

5. As part of our duty to keep students, staff and visitors safe and to prevent Student ID badge fraud. We will randomly scan student ID badges, this is to ensure the correct students are in College. The ID scanner will use your ID photo and timetable.

Applications and Interviews

We will collect details of an emergency contact. This is so we can contact someone on your behalf in the event of an emergency during any point of your interview at College. In accordance with our Retention Schedule, we will hold this information for a period of 12 months. The lawful basis for this processing is that it is necessary to support our legitimate interests relating to student safety and well-being.

Enrolment

We will collect parent information such as, name, phone number, and email address for 16-18 and any pre-16 students, we will use this information to contact parents regarding your commitment to the College's behaviour policy and to invite them to a parent's evening to discuss your progress on the course. The lawful basis for this processing is that it is necessary to support our legitimate interests relating to student safety and well-being.

Teaching

As part of the delivery of our courses to you, our staff will collect the work that you create (e.g. for marking purposes), we will use your information for the purposes of teaching you and measuring your achievements. This information is processed as part of our public interest task of providing educational services to you.

We also hold other information about you relating to your studies at Walsall College such as, attendance, progress and any disciplinary or behaviour records; records of applications for support and bursaries; information, advice and guidance; records of tutorials; work experience; exam achievement; and any other information collected as part of your education and training programme. Some this is processed as it is necessary for our contract with you, some is necessary to support our public task of delivering educational services and some is necessary to support our legitimate interests as an educational provider.

Recorded Teaching Sessions

We will be recording some of our teaching sessions that are recorded through Teams, Zoom or Google Classrooms. The purpose of recording teaching sessions is part of our legitimate interests. This applies when the data processing is not required by law but is of a clear benefit to the organisation or the individual, there is limited privacy impact on you as the individual and we are satisfied that students would reasonably expect us to use the personal data in this way. Tutors do not need to ask permission to record the session, either on campus or if being delivered online. However, we will always notify students that a session is being recorded before the session starts. For more information please read our Privacy Notice for Lecture Recording,

<https://www.walsallcollege.ac.uk/wp-content/uploads/2021/01/Recorded-Session-Privacy-Notice.pdf>

The sessions will be stored on the mentioned systems for one calendar year, after this period the recording will be deleted.

Telephone Recordings

We may record telephone calls for training, quality assurance, and monitoring purposes. This helps us to ensure that our staff provide a high standard of service and that our policies and procedures are followed. All call recordings will be handled securely, accessed only by authorised members of staff, and retained in line with our Retention Schedule.

How does Walsall College share personal information?

Your information may be shared internally with any Walsall College staff who need the data to provide services to you as a learner. This will include special categories of personal data where necessary.

We do not sell or rent your personal information. Where necessary, we share your personal information with trusted third parties where there is a legal, contractual, or legitimate reason to do so.

Where Walsall College engages non-statutory third parties (Data Processors) to process personal data on its behalf, we require them to do so on the basis of written instructions, and they are obliged to implement appropriate technical and organisational measures to ensure the security of data.

The organisation shares your data with third parties where there is a legal or contractual obligation. Including awarding bodies, Student Finance England, Debt Collection agency, ESFA, HEFCE, Learner Records Service (LRS) and Walsall Council/Schools for learners aged 16-18 for destination data.

Where your course is fully or partially funded by the ESFA, as part of our contract with the ESFA, we are required to monitor student destinations, 3-6 months after the completion of your programme. Walsall College will do this by sharing your contact details with a designated and approved destination survey collection organisation. This process is designed to ascertain the impact of funded courses by identifying if you have gone on to employment or further learning as a result of the funded programme delivered by the College. The collection and use of this information for this purpose is necessary for this contract and the legitimate interests of the College.

We share the personal data with Office for Students (OfS), Student Loan Company (SLC), Department for Education (DfE), National Student Survey (NSS) and the Universities and Colleges Admissions Service (UCAS).

Information shared with the ESFA

The Education and Skills Funding Agency (ESFA) issue this privacy notice, on behalf of the Secretary of State for the Department of Education (DfE). It is to inform learners how the DfE, the ESFA (an executive agency of the DfE), will use their personal information and any successor bodies to these organisations. For the purposes of relevant data protection legislation, the DfE is the data controller for personal data processed by the ESFA.

Your personal information is used by the DfE to exercise its functions and to meet its statutory responsibilities, including under the Apprenticeships, Skills, Children and Learning Act 2009 and to create and maintain a unique learner number (ULN) and a personal learning record (PLR). Your information will be securely destroyed after it is no longer required for these purposes.

Your information may be shared with third parties for education, training, employment and well-being related purposes, including for research. This will only take place where the law allows it and the sharing is in compliance with data protection legislation.

The English European Social Fund (ESF) Managing Authority (or agents acting on its behalf) may contact you in order for them to carry out research and evaluation to inform the effectiveness of training.

Further information about use of and access to your personal data, and details of organisations with whom we regularly share data, information about how long we retain your data, and how to change your consent to being contacted, please visit: [ESFA: privacy notice - GOV.UK](#)

You can agree to be contacted about courses or learning opportunities and for surveys and research by post, phone or e-mail. Your preferences and agreement to be contacted will be collected on your enrolment form and can be updated at any time by contacting dataprotection@walsallcollege.ac.uk.

Information Shared with the Learner Records Service (LRS)
